TO countless people who previously could not afford to own an English Luxury Car—the Humber Snipe at the NEW LOW PRICE makes available a medium priced car readily distinguishable from the common pattern of most others . . . it offers the distinguished beauty . . . superb performance and complete luxuriousness that has always been associated with the name of Humber.

The typical English workmanship, better finish, beautiful appointments, sparkling performance, and amazing economy, give lasting satisfaction and make the Humber Snipe a car you, too, would be proud to own.

The engine of the Snipe gives virile acceleration and a flexible top-gear performance, with refreshing effortless control. Humber's exclusive "Evenkeel" Suspension gives you the world's most comfortable rear seat ride. There is also SAFETY and COMFORT in such features as the ENGLISH ALL-STEEL BODY of enormous strength (fabricated in Australia), box-girder chassis frame, automatic choke, synchromesh gear-box, self energising brakes, shockless, adjustable height steering wheel, and many others.

Your Nearest Distributor will be glad to put a Humber Snipe at your disposal so that you can adequately test its merit.
